

Who Attends?

The FPMA Science & Management Symposium (SAM) is one of the most well-regarded podiatric conferences in the nation, attracting over 800 Podiatric Physicians, 400 X-Ray Assistants, and 75 Administrative Staff. Attendees will be joining us from throughout the state of Florida, around the country, and abroad.

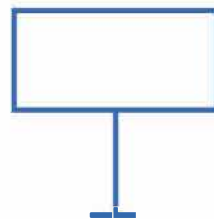

What's Included?

Exhibitor listing in the conference program

Post-conference attendee list

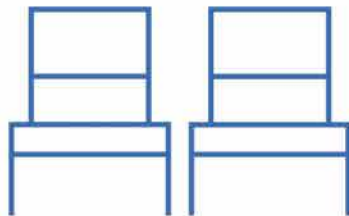

Exhibitor ID sign

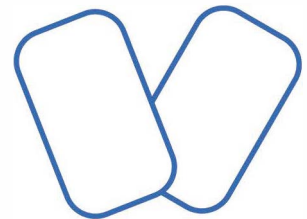

Wastebasket

One 6-foot skirted table

Two chairs

Two Exhibitor badges with access to lunches and breaks

Why Exhibit?

Position your company at the forefront of the Healthcare industry. The SAM Exhibit Hall is the place to showcase products, services, and resources for over 1,000 members and attendees. As a supporter, you gain direct access to professionals who use and purchase your products and services.

In the Exhibit Hall, we host multiple breaks and lunches throughout the day with scattered seating. CECH scanning for attendees is also strategically placed within the Exhibit Hall.
